

MUHAMMAD AMIRUL ADLY BIN MOHAMAD RASHIDI

Address: A-5-18 Desa Ria Apartment, Jalan Persiaran Impian, 43300 Seri kembangan, Selangor
Phone: 013-466 2146
Email: amiruladly167@gmail.com
Website: <https://amiruladly.github.io/Amirul-Portfolio/>

SUMMARY

I am a motivated and skilled engineering graduate with a Bachelor of Technology in Industrial Electronic Automation, seeking an Automation Internship position. I have experience in PLC programming using Siemens TIA Portal, working with sensors, and developing real-time automation systems. I am passionate about bringing innovative ideas, improving system performance, and ensuring compliance with strong safety standards in industrial environments.

WORK EXPERIENCE

Technician , Astana Digital Sdn Bhd May 2023 - May 2024

- Installed and tested Power Electronic Kits, including voltage conversion circuits and oscilloscope analysis.
- Developed and tested PLC control logic using CX-One software; performed rewiring and troubleshooting of PLC training kits.

Student Work Scheme , Pusat TVET Termaju Jan2025 - Feb 2025

- Performed troubleshooting and rewiring of all workstations using a modern wiring technology approach like Sensor Valve Box and Modular Connector.
- Developed PLC control and monitoring systems, integrating collaborative robots and human-machine interfaces (HMI).

Student Work Scheme , UMPTechnology Aug2025 - Dec 2025

- Integrated Digital Power Meters (DPMs) using Modbus RTU and Modbus TCP communication protocols.
- Programmed and configured WECON LX6C PLC using CODESYS for real-time data acquisition, processing, and aggregation.
- Designed and developed HMI interfaces using WECON PI3070IG for real-time visualization of electrical parameters.

EDUCATION

Bachelor of Technology in Industrial Electronic Automation with Honours May 2025 - July2027

University Malaysia Pahang Al-Sultan Abdullah
CGPA - 3.87

Diploma in Technology Electronic April 2021 - May 2023

Kolej Vokasional Sungai Buloh
CGPA - 3.87

Malaysia Skills Certificate Level Three in Electronic Equipment Jan 2019 - Dec 2020

Troubleshooting , Repair & Maintenance
Kolej Vokasional Sungai Buloh

Sijil Vokasional Malayisa Jan 2019 - Dec 2020

Kolej Vokasional Sungai Buloh
CGPA - 3.67

SKILLS

- | | | | |
|----------------------|--|--|--|
| • Microsoft Word | • Design HMI (Pistudio, CX-Designer) | • Arduino IDE / Raspberry Pi, ESP32 | • Pneumatic & Electro Pneumatic |
| • Microsoft Excel | • PLC Programming (CX-Programmer, Codesys, TIA Portal) | • Web Page Development (Html,Css,JavaScript) | • Dashboard Visualization(Looker Studio) |
| • Canva | • Engineering Drawing (Eplan, AutoCAD) | • Circuit Design (Multisim, Easyeda) | |
| • Python Programming | | | |

HONORS & ACTIVITIES

- Gold Medal in Citrex 2026 (IIoT-Based Smart Monitoring System for UMPSA via Wecon V-Net Cloud)
- Dean's Award Semester II 23/24 | Semester I 24/25 | Semester II 24/25
- Omron Collaborative Robot (COBOT) Level 1
- Introduction to Data Analysis using Microsoft Excel (Coursera)
- AJK Block Mawaddah in Student Resident 5
- Participated on Malaysia Invention & Innovation Expo 2023
- Best Strategy Award of National Robotic League
- Introduction to Microsoft Excel (Coursera)
- Introduction to Data Analysis using Microsoft Excel (Coursera)
- Silver Award on Malaysia Invention & Innovation Expo 2023
